

Successful Breeding in a Few Steps!

BREEDING PERIOD	
Birds	Breeding Cage
<ul style="list-style-type: none"> • Collect eggs - ring young birds - keep a good record. • Provide sufficient soft food and change it several times a day. • Cover the high energy needs. • Control of coccidiosis and toxoplasmosis. (Grog New) • Treat problems or diseases in time. (Starter Mix, T-Plus, Ronella) • Consult an avian vet if necessary. 	<ul style="list-style-type: none"> • Check breeding cages, nest and nesting material for presence of bloodsucking mites. • Preventively treat new nests against ectoparasites. (Mite Powder, Elector, ...) • Ensure good hygiene of breeding cages, water and food bowls. (F10) • Avoid excessive temperatures and pay attention to good ventilation. • Separate young birds or use a baby cage.

SUPPLEMENTS	
Through Water	Through Soft Food
<ul style="list-style-type: none"> • VIGO-CARNITINE Friday. General condition, muscle enhancing. 	<ul style="list-style-type: none"> • VIT-AZ-MIN 4 times a week. Unique source of amino acids, minerals, spore elements and calcium for a smooth oviposition and a good calcification of the eggshell.
<ul style="list-style-type: none"> • HEPATO-CHOL Saturday. Improves the function of the liver and metabolism, promotes the excretion of waste from colour supplements, contains B vitamins, amino acids and herbs. 	<ul style="list-style-type: none"> • AMINO-FORT 4 times a week. Contains all amino acids, indispensable for type canaries and heavily feathered birds. Replaces other protein sources. Enhances a fast growth and muscles.
<ul style="list-style-type: none"> • VITAMIN KADRIE Optional on Sundays for needy species. Stimulates fertilization and a good oviposition. Replaces the shortage of vitamin A, D3, E and K. 	<ul style="list-style-type: none"> • MULTIVITAMIN Optional. Increases resistance and contains all necessary vitamins for daily addition to self-made soft food.
<ul style="list-style-type: none"> • BENE-BAC PLUS powder Source of probiotics. Helps digestion and increases resistance. 	<ul style="list-style-type: none"> • BENE-BAC PLUS poeder Source of probiotics. Helps digestion and increases resistance.
