BENE-BAC PLUS

WATER SOLUBLE POWDER 127 G

PROBIOTIC TO SUPPORT CROP AND INTESTINAL FLORA

Bene-Bac Plus contains a Source of Live Naturally-Occurring Microorganisms.

In healthy animals, we find both beneficial and harmful bacteria in the digestive system. However, the beneficial bacteria are susceptible and can suffer or be destroyed for all kinds of reasons. **Bene-Bac Plus**, can deliver the required number of beneficial bacteria (FOS and probiotics) in a completely safe way.
